The firemen responded promptly to the call, but it was sometime before the steamer could get to work. 'The "Rough and Ready Co.," however, threw a quick stream, and in a short time the flames were under control. It was a stubborn fight. At one time the flames were shooting through the windows, and it was thought the building would be consumed. The cause of the fire is unknown. The damage has been assessed at \$923, which was covered by insurance. The Mill will be running again in a few days.
